

PT- Physical Therapy (part-time)

Company Overview

Roku Management Consulting (RMC) is a premier consulting and general contracting firm specializing in personnel, professional, and information technology services. Founded by a service-disabled veteran with a mission to create opportunities and provide exceptional customer service, RMC has rapidly grown, securing several federal contracts within three years.

Job description

We are looking for a licensed physical therapist to support K-12 students with professional competency as a general practitioner in physical therapy; demonstrated use of varied evaluation and treatment approaches; customer service skills for interacting with patients, including communicating with patients and family members of diverse ages and backgrounds; and effective communication.

The Physical Therapist provides physical therapy services to patients, to include but not limited to screening and evaluation, treatment planning, treatment implementation, treatment re-assessment and revision, patient/client re-evaluation, discharge planning, and documentation in a variety of settings. The Physical Therapist participates as requested in program planning and protocol development and assists the team in meeting established goals.

Education/Experience and Other Requirements

License/Certification:

- CPR Certification (Preferred)
- Physical Therapy License (Preferred)
