

Business Development - Business Strategy Internship (Unpaid)

About RMC

Roku Management Consulting LLC. (RMC) is an up-and-coming small business that utilizes experts to engage and assist business leaders with achieving practical results that focuses on people, processes, performance, and profits. In collaboration with our numerous partners, we focus on innovative strategies and solutions for sustainable growth and performance. As a result, our efforts have enabled small businesses to increase their bottom-line profits, expand their workforce, and enhance their business portfolio.

Job Type

Internship and fully remote.

Full Job Description

We are embarking upon some exciting new projects that includes business outreach, and digital platforms with a force on a global scale!

The ideal candidate is driven, creative, a self-starter, and takes initiative, as we will be diving into areas for the first time. The candidate will get a chance to be a primary reason for the success, and expansion of our brand. Up for the challenge?

YOUR ROLE - Working with departments based off your interests and expertise (Operations, Web Development, Digital Marketing, Development, Human Resource, and Finance and Compliance), you will be exposed to a variety of responsibilities that are all essential to the success of our day-to-day operations and long-term growth. Responsibilities within this role could range from developing strategies to improving lead generation, preparing presentations, developing partnerships, and leveraging digital marketing skills to optimize our international marketing campaigns.

What We Are Looking For?

To be a good fit for the Business Strategy Intern opportunity, you must be:

- Practical, fact-minded, and logic-driven.
- Meticulously attentive to detail, but also able to grasp the bigger picture.
- Highly self-motivated and able to learn quickly to exceed expectations.
- Highly organized and able to manage multiple activities and priorities.
- Dedicated, hard-working, and driven to do the right thing.
- Able to augment your analytical skills with a dash of creativity to solve problems.

- Able to achieve goals independently, but also contribute as a team player.
- Flexible and adaptable in a fast-paced environment.
- Entrepreneurial and passionate about learning the ins-and-outs of our day-to-day operations.

What is in It for You?

Our growth has created the need for more creative solutions for our customers as well as for our team. At RMC, you will be immersed in strategic discussions and be able to implement measures that will accelerate further growth for the company. You will be able to bring your specific expertise while gaining valuable experience in functions of interest to you and your career goals.

Great Environment

Our culture is casual, and the energy is high; we drive for results and have fun in the process.

Career Options

We are committed to helping our Business Interns further their careers by immersing them within our operations and providing the opportunity to learn invaluable career lessons.

Salary and Benefits

RMC will provide the intern exceptional exposure to working at a start-up with professional mentoring in government, and business. If the internship works well, we hope to extend an employment offer and equity depending upon business growth opportunities.
