

Speech Therapist (O&M) (part-time)

Company Overview

Roku Management Consulting (RMC) is a premier consulting and general contracting firm specializing in personnel, professional, and information technology services. Founded by a service-disabled veteran with a mission to create opportunities and provide exceptional customer service, RMC has rapidly grown, securing several federal contracts within three years.

Job description

- Evaluates patients with speech, language, cognitive, oral-motor and voice disorders.
- Diagnoses and develops goals for those patients and provides appropriate treatment.
- Adapts conventional Speech Therapy techniques to meet the age-appropriate need of each patient along with other specific needs based on his/her mental, physical, and emotional status.
- Educates and communicates results and strategies to appropriate team members.
- Establishes, implements, and modifies treatment plans and participates in discharge planning.
- Completes documentation in accordance with Rehabilitation Medicine policy and procedures.
- Participates in discharge planning with related health professionals such as Social Services, M.D.'s, and other Rehab personnel.

Qualifications and Skills

- The Speech Therapist shall possess a 4-year degree in Speech Language Pathology from an accredited or approved school. Must have a valid Speech Therapy state license.
- Speech Therapist: 2 years (Preferred)
